Breakroom & Vending Cabinetry

Clayton Fixture introduces our legendary commercial quality cabinetry to the office and factory breakroom. Once available only to the quick-serve restaurant trade, now you can put the same durable yet beautiful millwork in your breakrooms, employee washrooms, locker rooms or other common areas. We manufacture custom sizes and colors for any application with lead times of 4 - 6 weeks or less. Call 404.363.1665 or email orders@claytonfixture.com

Commercial quality breakroom or common area millwork, custom fabricated to your specifications using high pressure laminates, moisture-resistant or marine-grade engineered panels and PUR adhesives on all edge banding for duty in the most demanding environments.

Vending equipment surrounds can be fabricated to match existing breakroom cabinetry or we can provide additional cabinets, countertops, tables or bartops to meet any need.

Fully adjustable angled gravity-feed shelving

Slatwall available in a variety of colors.

Product dividers for each shelf are also fully adjustable to work with any size or configuration needed.
