Restroom Partitions

Our main restroom partition packages utilize compact laminate/Phenolic panels, marine grade Plywood with HPL, or HDPE to maximize appearance and durability. However, we also offer a variety of options at different price points to best fit your needs. We can manufacture custom packages for any application with lead times of 2 -3 weeks or less. Call 404.363.1665 or email

orders@claytonfixture.com

We can also provide Restroom Storage cabinets to utilize unused space for storing restroom products and cleaning supplies.

Solid surface vanities and frameless mirrors are available as well. We offer vanities either sink bowls or trough sink styles.

We can offer a range of Stainless-Steel hardware styles, colors, and types. All our hardware comes with tamperproof fasteners.
